

## A high-contrast, black and white photograph of a vertical object, possibly a tool or a piece of machinery. The object is oriented vertically, with a handle at the top and a series of rectangular components below. The handle appears to be made of wood or a similar material, with a dark, possibly metal, grip or knob at the top. Below the handle, there is a series of rectangular components, possibly a stack of plates or a series of gears, arranged vertically. The overall image is very dark and grainy, with a high level of contrast between the black and white areas.

[illegible]
